

In 2012 our check-in staff will welcome enough people to fill the London Olympic Stadium 400 times. It sounds like a daunting figure, but not to our team. Every year they offer a warm smile to over 30 million customers worldwide. Quite an achievement, we're sure you will agree. We are proud to be the airline partner in this Olympic year, 2012. We're ready.

To Fly. To Serve.

With our mobile app you can check-in and choose your seat from anywhere. Even from the back of a taxi.
